

Please join the Wisconsin Airedale Terrier Club for our Spring Walk!

When? Saturday, May 31, 2025, at 11:00 am

Where? Tendick Nature Park, [3919 Co Hwy O, Saukville, WI 53080](#)

What should you bring? your dog, a non-retractable leash, water for you and your dog, poop bags, sunscreen, tick repellent, etc.

What's included? A walk, which will start promptly at 11:15 and go through the prairie and woods, on dirt paths and boardwalks, approximately. 30 minutes long, followed by a picnic lunch provided by the WATC for all club members, and a brief club meeting.

A few more details: dogs must be leashed at all times, and owners are responsible for cleaning up after their dogs. One lunch per membership will be provided (sandwich, chips, water), and additional lunches are \$10 each (please bring CASH to the event for extra lunches). If we get rained out on May 31, we will hold the walk—same time, same place—on June 1. If it rains both days, we will cancel. We will communicate via email on May 30 by 8 pm if we need to cancel/reschedule. Guests are welcome, with any breed of dog.

Sandwich options:

Ham

Turkey

Veggie

RSVP to Sue Zimmer by May 28 with your name(s) and sandwich choice.
